- Computer available for testing

Exit Criteria:

- All given tests have passed
- Allotted time has expired

Duel Duo Test Case

Select bots

Description

This test will verify that users are able to view a list of bots and select exactly two to duel with.

Steps

1. Open the Duel Duo App
2. Select Draw
3. Review options to ensure 5 bots are presented
4. Select one bot by clicking Add to Duo
5. Ensure the bot selected is now removed and the number of bots to chose from is now 4
6. Select one additional bot by clicking Add to Duo for a total of 2 bots
7. Attempt to add another bot by selecting "Add to Duo"

Test Postconditions

- User should have been able to select two bots
- Upon attempting to select a 3rd bot, the system should have provided a notification stating that was not allowed and the bot should not be included in the users Duel Duo
